25X1A

1. Attachment A is a proposed revision of [redacted]. The revision is essentially the present regulation to which we have added one office formed since the current regulation was published and in which we have incorporated the substance of [redacted]. We have also deleted one function which the DD/S&T no longer has. Additions are shown by underscoring and deletions by crosshatching.

2. Attachment B is [redacted] showing the Office of Special Projects inked in as an addition and the COMOR function as a deletion.
